

Message from the Principal

Greetings SVAE Family,
Mr. Hammond has been at Spiritual Retreat since Thursday.
Have a great weekend!

In accordance with the Asbestos Hazard Emergency Response Act, we had our school inspected for Asbestos Containing Building Materials (ACBM). The inspector found our school to be **asbestos-free**. You may see the Operations and Management Plan in the office during school hours, if you have questions. We are required to print this statement each year.

After-school Pick-ups: In order to allow parents to pick-up their students as quickly as possible after school, please follow these procedures:

- **Stay to the right when approaching the school building.**
- **When your vehicle is in the "pick-up lane" beside the sidewalk in front of the school, pull your vehicle as far forward as possible. Your student(s) will walk down the sidewalk to meet your vehicle. Unless you are actively loading a student, there should not be a large space in front of your vehicle.**

Parking Lot Safety Procedures:

- Please drive carefully, and do not back up in the pick-up line because there may be children behind you. Remember that the traffic pattern is **ONE WAY** for your safety. Do not go immediately left to the parking area.

MAPS Assessment Testing will be administered to students in grades 2-8 the week of September 5-22. Parents of 2nd-8th grade students can help their children perform well on these annual tests by ensuring their students get a good night's rest and a healthy breakfast each day. Every effort should be made to ensure that your child is at school on time each day so that re-testing will not need to be scheduled.

See You at the Pole is a global event on Wednesday, September 27, for Christian students to gather at their school's flagpole for prayer and scripture reading. Parents are invited to join us on Wednesday, at 8:00 a.m. for this special event.
